

REMARKS

In response to the Examiner's objection to "said ring" in claims 2, 4 and 21, applicant is amending these claims to read --said metal foil area—in place of "said ring".

In response to the double patenting rejections, applicant is submitting a Terminal Disclaimer and the required fee for same.

Applicant submits that upon entering the amended claims and the Terminal Disclaimer, the application should be in condition for allowance. An early and favorable action to that end is requested.

Respectfully submitted,

WELSH & KATZ, LTD.
